Comments:

It does take time to start to see these coupons come back, but they totally come in!! It has helped us get more foot traffic in and also Alfonso is the best to help us with everything. Very helpful! 25 redemptions a week at \$70 per ticket is about \$1,750 per week, \$7,000 per month equals \$84,000 per year revenue stream from the receipt tape promotion at our local supermarket AND it keeps our competition from doing the same.
